Duke Public Schools Nondiscrimination Policy

Duke Public Schools does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing educational services, activities, and programs including vocational programs and career technology in accordance with Title VI of the Civil Rights Act of 1964 as amended; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973, as amended.

Duke Public Schools
Annual Notification to
Parents, Teachers, Employees
July 1, 2009

The Asbestos Hazard Emergency Response Act

of 1986 requires the inspection of all buildings in the school district for asbestos. The district has complied with this act. A management plan documenting these inspections is on file for public review. You may examine the plan, located in the Superintendent's Office, upon request. The asbestos identified in our management plan is checked regularly by an asbestos company and our staff to

scrutinize any change in the material that could cause a health hazard. We will continue to monitor the asbestos as defined by EPA guidelines. If changes occur or asbestos coordinator will notify the appropriate people as prescribed by law.

ABSENCES & TARDIES

Parents or guardians should contact the school (679-3311) to report the absence of their child by 8:15 the morning of the absence.

An unexcused absence will result in zero credit on assignments given in each class missed. A student who misses more than 15 minutes of class time is counted absent for the class. **A student who has more than 9 absences in a class will not receive credit for that class.** For elementary grades, Duke School Board Attendance Policy requires students to be in attendance 90% of the school year for promotion. This includes excused absences, unexcused absences and prearranged or parent absences. **The only exceptions are school activity absences and serious or extensive illness.** A student at risk of zero credit based on absences may appeal to an attendance committee appointed by the board of education. A final appeal may be made to the board of education. The board's decision will be final.

Absences may be excused at the discretion of the principal for medical, court, or emergency reasons. An absence will only be excused for the reasonable time required. (Ex: Optometrist appointment at 10:00 a.m. will not be an excused absence for the afternoon classes.)

Documentation for excused absences must be presented in the central office before the student receives an admit or the absence will not be excused.

Students may take up to 2 days of prearranged absences per year. A student may make up any work missed without penalty. It is up to the student to make arrangements with their teachers to complete schoolwork **prior** to the absence. In order to take a prearranged absence, the parent, or guardian, must submit a written request **before** the absence. If the request is not made prior to the absence, it will be treated as an unexcused absence.

A student who is absent without valid excuse for ten (10) or more days or parts of days within a semester will be reported to the student's parent(s)/ guardian and the Jackson County District Attorney. The Duke board of education will notify in writing the Department of Human Services of the name of any student who is absent over twenty percent (20%) of the semester without valid

excuse. (70 O.S. 24-120) Any parent or guardian who neglects or refuses to compel their child to attend school will be referred to the Jackson County District Attorney. (70 O.S. 10-1-5)

3 tardies per class = 1 unexcused absence

3 tardies (overall) = detention

6 tardies (overall) = ISS

ACTIVITY ABSENCES (10 Day) - A student shall not be absent for activities from any one class period more than 10 days in one school year. The following activities are exempt: State & National levels of school-sponsored competitions which have the approval of the Board; field trips; interscholastic meets; serving as a page in the State Legislature; and, school assemblies.

ACTIVITY CLASSES, PROGRAMS, AND FIELD TRIPS- All activity classes will be conducted the same as academic classes. Always remember that you get from an activity only what you put into it.

Purpose of the activity program is to provide meaningful activities to complete the student's school life. The activity program should include experiences in group dynamics, leadership, moral and ethical values. It's our belief at Duke Schools that a student should not be removed from the classroom to go on a field trip if that student is failing a class, or classes. If the field trip is one which the student is required to go because it is part of the student's grade, then the student would be allowed to go. Students may be denied the opportunity to attend if they fail to have at least 90% attendance or due to discipline.

BUS TRANSPORTATION - Students participating in school sponsored activities off-campus must ride to & from the activities on school-provided transportation. Exceptions may be made for students to ride with their parents.

CAFETERIA RULES - Breakfast/Lunch bill may be paid in advance. Families will be billed the first week of every month. The breakfast/lunch bill must be paid at the end of the school year in order to receive report cards.

Eating areas are to be left clean & all litter placed in the trash. Do not take or give cuts in line.

CHECKING OUT OF SCHOOL - Students must check out of school through the principal's office. (Failure to do so may result in detention or ISS.) Students may only check out of school with the personal permission of their parent or guardian. Permission must be given in person or on the phone before the student may be approved to leave

school. Parents picking up their child(ren) need to pick up their child from the designated location (front porch, classroom, office, inside the upstairs hallway) so students can be safely walked back to the parent's house or vehicle.

CLOSED CAMPUS - PreK - 12th grade is closed campus.

CLOSING SCHOOL (BAD WEATHER) - Announcements regarding school closings & delayed opening times due to bad weather will be made on local radio and TV stations.

COLLEGE DAYS - (Applies to Seniors only during the school year in which the Senior will graduate.) A Senior student will be allowed two days to visit post-high school institutions in which the student is interested in attending after graduation. (*A student may visit more than one institution in a day.) The college day visitation must be approved by the Principal to be excused. A student who visits a post-high school institution without receiving prior permission from the Principal will receive an unexcused absence. A student must demonstrate a bona fide interest in the institution to use an excused college day.

COMMUNICABLE DISEASES - Parents of students with communicable or contagious diseases are asked to telephone the principal so that other students who have been exposed to the disease can be alerted. Convalescing students are not allowed to come to school until the disease is no longer contagious.

When students commit drug and alcohol-related offenses, they **will be referred to legal authorities** for criminal prosecution in addition to school-imposed discipline (Senate Bill 753, 7/01/01.)

DISCIPLINE – A student who violates the district's student code of conduct shall be subject to disciplinary action. The district's disciplinary options include using one or more discipline management techniques; corporal punishment, removal to an alternative education program, suspension, and expulsion. Teachers must turn in eligibility forms by 8:00 a.m. on the first day of each school week beginning on the fourth week of each semester. Any work to be included in the computation of a student's grade must be turned in to the teacher no later than 3:30 p.m. on the last day of the school week in which students are scheduled to attend class. Any work turned in after that time will not be counted for eligibility for the following week. No exceptions will be allowed regarding this policy.

(Probation) - A student must receive a cumulative passing semester grade in all courses at the end of the fourth week of each semester, and each week thereafter, or the student will be placed on Academic Probation for the following week. A student may participate in authorized school activities during the week the student is on academic probation.

The decision of the board is final.

HOMEWORK - Student homework assignments may be given per the teacher's classroom policy. Students will be allowed a minimum of a "day-for-a-day" to turn in homework when the student has been absent from school with permission. (EX: A student who is absent for 2 school days due to a documented illness has 2 school days to turn in assignments for the classes missed.) Students absent without permission or approved documentation will receive a grade of zero for missed class assignments, including homework.

INSURANCE - Student health and accident insurance is available through the school at the student's expense. Student insurance application forms may be obtained during enrollment or at any time from the principal's office.

PROM/SCHOOL DANCES - All JR-SR prom participants and their dates must be in grades 9 or above and approved by the principal and sponsor two weeks prior to the prom. A date is defined as an escort of the opposite sex. Students who plan to bring a date from another school or someone not attending Duke School must have their date approved by the Duke School Principal. Formal or Semi-formal dress is required at the banquet prom. To be eligible to attend banquet/prom, students of the junior class must meet all of the class participation requirements in regard to fundraising activities. Students must be eligible with academics, attendance, and behavior to be able to attend the banquet, prom, or dances. Students leaving the dance will not be allowed to return. No refreshments of any kind will be brought into the banquet, prom or dance. Refreshments will be provided or sold. While in attendance at the banquet, prom, or dance, the students will conduct themselves as ladies and gentlemen. The same rules of conduct that apply during the school day will be in effect during all school activities. Suggestive, i.e. rude dancing or behavior will not be tolerated. Dancing privileges may be revoked if in the opinion of the sponsors or administrators if rude or suggestive dancing/behavior is occurring. Sponsors in charge of the activity should plan on attending the activity from beginning to end.

PROMOTION and RETENTION of ELEMENTARY STUDENTS - It is the intention of this policy that students will be placed at the most appropriate grade level. This

determination is to be based upon documentable evidence as to the students' ability, level of academic achievement, and social and emotional characteristics. Students will normally spend one year in each grade. It is believed that the utilization of immediate and thoughtful corrective actions will benefit and remediate most deficiencies in achievement. However, there may be those few students who for unidentifiable reasons refuse to perform at a level consistent with their ability or due to excessive absences (less than 90% attendance) would benefit by repeating a grade. This measure should be employed as a last resort only. Factors to be considered are: (1)academic achievement; (2)chronological age; (3)social maturity; (4)physical development; (5) work & study habits; (6)attendance record.

No more than 3 swats will be given in a school day. The swats will be given with reasonable force by a wooden paddle on the buttocks of the student. The detention shall not begin, however, until the student's parents have had time to receive notification and can make arrangements for the student's transportation on the day(s) of the detention. It is the responsibility of the student to take the detention notice home. Detention will be assigned by faculty or the principal on a case-by-case basis.

A student receiving a 4th detention during a semester period will serve ISS in lieu of the detention. Additional detentions during the semester period will also result in ISS.

IN-SCHOOL SUSPENSION (ISS) - ISS is an alternative form of discipline for breach of more serious issues for which the student is removed from the regular educational environment, yet continues to attend school and receive instruction.

ISS is during the regular school day in the ISS room. A student must serve the ISS on consecutive school days. A student in ISS may participate in extra-curricular activities that occur outside the regular school day at the discretion of the extra-curricular coach or sponsor.

Teachers shall turn in ISS assignments to the office before 8:15 a.m. on the day the student is to begin ISS. Those assignments will be graded as in the regular classroom. Students are not penalized academically in ISS.

ISS Rules

1. Remain in assigned seat.
2. No talking/communicating with others.
3. No sleeping.
4. Work on assignments. Students will receive an ISS packet to be completed by the end of the ISS or additional ISS will be given. The ISS teacher will give additional assignments if the student completes the regular assignment.
5. Students will take drink/restroom breaks and lunch on a regular schedule, as directed by the ISS teacher, that prohibits contact with students in the regular educational setting. Failure to comply with these rules will result in additional ISS or up to 10 days of out-of-school suspension per the circumstances.

OUT OF SCHOOL SUSPENSION - The principal has authority to suspend a student for a period of up to, and including, 10 school days. The student has a right to appeal the suspension to a suspension appeal committee designated by the Duke Board of Education. The decision of the suspension committee is final & cannot be appealed

to the Board or any other school official. A student shall be suspended from school for serious offenses and/or for multiple infractions of lesser offenses. No student suspended from school shall participate in nor attend extra-curricular activities during the period of suspension. A student shall serve the assigned suspension period on consecutive school days.

A student shall receive a grade of zero (0) on all work, during the period of out-of-school suspension for which the student would have normally received a grade for out-of-school suspensions for 5 days or less. A student shall not make up work that was assigned during the period of suspension nor shall the student complete additional work to compensate for the work on which the student received a grade of zero (0). A student may complete the work for the student's own benefit but no credit, other than zero (0), may be given for that work. The grade of zero (0) will be calculated into the other grades of the student.

A student shall receive an educational plan of the core curriculum for days suspended beyond 5 days. The parents/legal guardians shall bear the responsibility for monitoring the student's progress until the student is readmitted into school. Credit may be granted for academic work completed beyond 5 days.

ALCOHOL/CHEMICAL ABUSE - Attending classes alert and ready to learn is a prime responsibility of students at Duke Public schools. A student found possessing, distributing or using alcohol or drugs or other contraband at school or school-sponsored activity will receive:

1st OFFENSE: Out of school suspension up to ten school days.

2nd OFFENSE: Out of school suspension for the remainder of the semester and the following semester. Reentry to Duke schools may be contingent on appropriate counseling and/or parental intervention. Students that commit drug and alcohol-related offenses will be referred to legal authorities for criminal prosecution (Senate Bill 753, 7/01/01.)
